Dear Ms. Rolando:

***SUBJECT: Environmental Disclosure Label for October 1, 2013 to September 30, 2014***

In accordance with Illinois Administrative Code Title 83 Part 421, Section 421.30, FirstEnergy Solutions Corp. hereby submits the January Environmental Disclosure Label for the twelve month period ending September 30, 2014. Enclosed are a notarized original and an electronic version on compact disk.

FirstEnergy Solutions has disclosed resources from both the PJM System Mix and the Midcontinent Independent System Operator, Inc (MISO). In MISO, FirstEnergy Solutions represents 100% unknown resources purchased from other companies. The energy associated with these resources is supplied by the MISO to serve the load. The exact mix of energy resources is unknown as MISO dispatches various generators to meet FirstEnergy Solutions' load.
